

STAKEHOLDER ENGAGEMENT POLICY

AUSTRAL
CIVIL | MINING | MARINE

The Company is committed to maintaining good relationship with relevant Stakeholders whilst carrying out our works.

In recognising our Duty of Care, we have set the following objectives to:

- ensure compliance with legislative requirements;
- undertake consultation with the affected community groups or stakeholders in order to maintain a level of confidence that our works will be undertaken in a responsible manner and to minimise to the greatest extent possible, any potential adverse effect on the community;
- ensure that community groups or stakeholders are given the opportunity to express their views and concerns which will be recorded and considered;
- ensure that all public complaints received are treated with respect and responded to in an expeditious and fair manner.
